# Return your materials

The next teachers and children are waiting to begin LENA Grow with these devices, so please return them promptly!

1

**Check** you've put the following in the box:

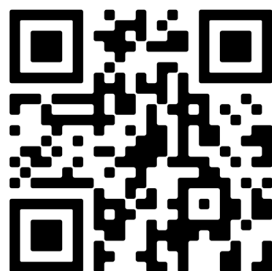

- ☐ All LENA devices that came in this box
- ☐ Any unworn vests
- ☐ 2 Multi Docks with cords

2

**Put the box** in the provided, pre-labeled bag and secure it.

3

**Drop the box off** at a UPS drop off location near you! (Note: the box will need to be dropped at a store front; it's too large for a drop box.)

Find locations near you by scanning the QR code or visiting [qrco.de/upslocs](https://qrco.de/upslocs).

**Note:** Late fees may be charged if the box is not returned by the date listed on the front of this page.
